

Have you ever wondered why some people just don't get it? No matter how hard you try to convince them, no matter how logical and persuading your facts, no matter how simple the information, they just don't get it!

The problem isn't your facts. The problem isn't your persuasion skills. The problem isn't that you aren't convincing. The problem is you are missing the single, most important detail – human beings buy on emotion and justify on fact.

For so long, you have relied on facts, with little or no emphasis on emotion. Now, learn how to get more of what you want, faster, by switching your focus. Learn how to **GET TO THE GUT!**
